

CINDER HOUSE

Statement of Authorship, Copyright & Intellectual Property Protection
GOVERNED BY THE INDIAN COPYRIGHT ACT (1957) • DMCA • BERNE CONVENTION

1. CERTIFICATE OF SOLE AUTHORSHIP & OWNERSHIP

This document solemnly certifies that the web platform **Cinder House** (located at **Tundla, Uttar Pradesh, India 283204** and deployed live at <https://aaddi1.github.io/Cinder-House/>), including all proprietary 3D spatial viewport mechanics, real-time WebGL ember simulation, custom Apple-inspired Liquid Glass UI, responsive layout systems, and code architecture, was exclusively authored, designed, and engineered by **Aryan Sharma**.

2. SCOPE OF PROTECTED INTELLECTUAL PROPERTY

Full legal protection applies to all creative works, shaders, physics algorithms, and code assets:

3D Kinematics & Shaders

Custom Three.js r128 GPU ember particle buffer geometry, metallic Torus Knot PBR material shaders, and scroll-linked camera matrix interpolation.

Apple Liquid Glass UI

Multi-layer backdrop-filter diffusion, specular gradient gloss overlays, bespoke frosted glass cards, and fluid micro-interactions.

Synthesized Audio Engine

Self-contained Web Audio API synthesized pink noise hearth and live-fire soundscape algorithms.

Brand & Content Architecture

Cinder House brand identity, five-room boutique hospitality narrative, and live-fire culinary course presentation.

• 3. STRICT CRIMINAL LIABILITY & PUNISHABLE OFFENSE WARNING

STRICT PROHIBITION: Copying, cloning, reproducing, distributing, white-labeling, or scraping any part of this design, 3D codebase, or architecture without explicit prior written consent from Aryan Sharma is a **cognizable criminal offense and intellectual property theft**.

STATUTORY PENALTIES & PUNISHMENTS:

- Criminal Prosecution:** Under **Sections 63, 63A, & 65 of the Indian Copyright Act, 1957**, violators are subject to criminal arrest, **imprisonment for up to three (3) years**, and heavy financial fines.
- DMCA & International Enforcement:** Immediate DMCA takedowns, domain blacklisting, and statutory damages up to **\$150,000 USD per willful infringement** under 17 U.S. Code § 504.
- Civil Litigation:** Immediate court injunctions, seizure of infringing servers, and full recovery of profits, damages, and legal costs.

4. AUTHOR & CONTACT VERIFICATION

Sole Creator & Architect: Aryan Sharma (3D Creative Engineer & Full-Stack Systems Architect)
