

OFFICIAL CERTIFICATE & LEGAL NOTICE

CINDER HOUSE

Statement of Authorship, Copyright & Intellectual Property Protection

1. CERTIFICATE OF AUTHORSHIP & OWNERSHIP

This document certifies that the web platform **Cinder House** (hosted live at <https://aaddil.github.io/Cinder-House/>), including all proprietary 3D spatial viewport mechanics, real-time WebGL ember simulation, custom Apple-inspired Liquid Glass user interface, responsive layout systems, and code architecture, was exclusively designed, engineered, and produced by **Aryan Sharma**.

2. SCOPE OF PROTECTED INTELLECTUAL PROPERTY

Protection applies to all original creative assets, visual designs, shaders, and source files:

3D Kinematics & Shaders

Custom Three.js r128 GPU ember particle buffer geometry, metallic Torus Knot PBR material shaders, and scroll-linked camera matrix interpolation.

Apple Liquid Glass UI

Multi-layer backdrop-filter diffusion, specular gradient gloss overlays, bespoke frosted glass cards, and fluid micro-interactions.

Synthesized Audio Engine

Self-contained Web Audio API synthesized pink noise hearth and live-fire soundscape algorithms.

Brand & Content Architecture

Cinder House brand identity, five-room boutique hospitality narrative, and live-fire culinary course presentation.

3. PERMITTED USAGE & RESTRICTIONS

Permitted: Public interactive viewing, non-commercial portfolio inspection, and web browsing via the official live deployment at <https://aaddil.github.io/Cinder-House/>.

Prohibited: Unauthorized re-distribution, commercial white-labeling, scraping, or claiming authorship of the 3D engine, Liquid Glass UI, and design codebase without explicit prior written authorization from the author.
